HQ. UNITED STATES FORCES IN AUSTRIA
SSU - WD MISSION TO AUSTRIA
DETACHMENT "A"
APO 777, U.S. ARMY

19 June 1946

TO : Mr. Alfred C. Ulmer, Jr.

FROM: Mr. Szolt Aradi

Dear Al,

This is just a prilliminary announcement:

1. I am very sorry that I can not attend your Party, which certainly will be very nice. Please give my best to Doris, and I wish you a nice and long stay in your house, and much success for the Mission.

2. I have seen in Germany, in Munich and in Augsburg, Cardinal Faulhaber and about twelve people, and have made the final progress in the Belladona Project. Sticking strictly to our agreement with Major Stewart, I got out as much as possible from the men, but this is just the beginning. You will see that at this time it is again a very, very serious deal.

3. I got the best kind of cooperation from our Munich detachment.

4. All the reports will be sent in several copies in a few days to you.

5. Sherry just called me on the phone and told me that "the man from the South" will appear here in Salzburg. I assume that this is Bilenych. We will take care of every thing here. If I was mistaken, and this is not Bilenych, please send me a cable.

6. Did you see Captain Bullitt, or do you have any news about Irving Smith?

As ever,
